F) Theme: “Exploring strategies for increasing uptake of improved seed in Uganda”

G) Venue: Addis Room, Kampala Serena Hotel
H) Objectives of the meeting

1. To evaluate the impact and cost-effectiveness of promotion strategies used in creating awareness and promoting new seed varieties, particularly demonstration plots.
2. To assess the effects of sustained promotion and the role of internal agents such as opinion leaders in adoption of improved varieties.

I) List Achievements

1. There was sharing of practical experiences and learning across stakeholders
2. Stakeholders sensitized about the on-going study
3. Stakeholders are anticipating mid-term and final results from the study
4. Brought various players in the industry together to talk about the performance of seed promotion strategies specifically.

J) List Problems and/or Principal Constraints/challenges

1. Low press/media coverage

K) List opportunities (if any)
1. Links formed with key policy maker - Hon Mathias Kasamba, the Chair of PAC

L) Follow-up Action Recommended:
   1. Study team and implementing agency to continue with the evaluative study
   2. Proceedings of workshop and report to be shared with participants
   3. Policy brief to be prepared and shared with stakeholders

M) Attendance
Participants
